Accessing the Application

DrinkTracker is provided as a web application located at the following URL:
https://apps.hdap.gatech.edu/alcoholrecovery2-frontend/login.html

Figure 1 – Login Screen

Logging In

To access the application, three users have been prefabricated with a corresponding FHIR ID, height and weight. From the above link (**1. Accessing the Application**), enter the following credentials into the following fields:

1) Dennis Rodman:
   a. Username: *demo1*
   b. Password: *any non-empty string*
2) Joseph Exotic
   a. Username: *demo2*
   b. Password: *any non-empty string*
3) Carole Baskin
   a. Username: *demo3*
   b. Password: *any non-empty string*

Then click the button labeled "Login" to access the application.

Tracking Drinks

You can get to this page by clicking the "Track Links" button on the side navigation or entering the following URL into your browser:

https://apps.hdap.gatech.edu/alcoholrecovery2-frontend/tracker.html

NOTE: *To access this page, you must be logged into one of the accounts mentioned in the "Logging In" section.*

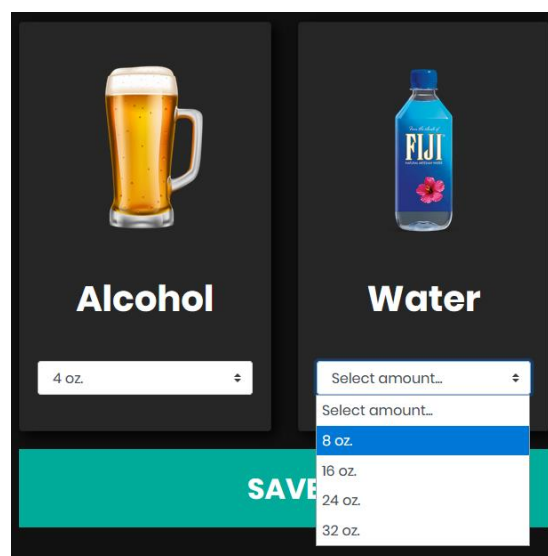

Figure 2 – Tracker screen

(Optional) To enter alcohol consumption, select an option from the dropdown beneath the beer image and the title "Alcohol".

(Optional) To enter water consumption, select an option from the dropdown beneath the water bottle image and the title "Water".

Then click the teal button labeled "SAVE" to save your drink amounts.

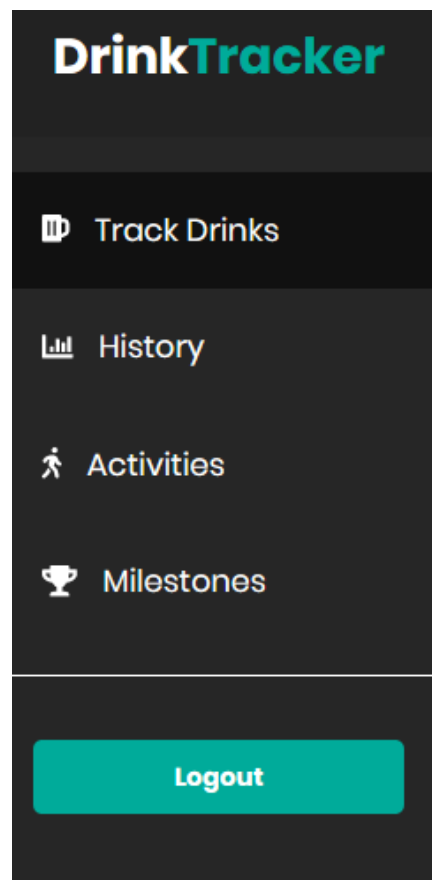

Figure 3 – Side navigation bar once logged in

Viewing History

You can get to this page by clicking the "History" button on the side navigation or entering the following URL into your browser:

https://apps.hdap.gatech.edu/alcoholrecovery2-frontend/history.html

NOTE: *To access this page, you must be logged into one of the accounts mentioned in the "Logging In" section.*
Figure 4 – Drink consumption history graph

You will be presented with a graph of the recent beverage consumption data. You can zoom in to the graph to see more detailed entries or zoom out to get a better view of your overall trends.

You can also print this page by clicking the teal button with the icon of a printer just above the graph.

Viewing Activities

You can get to this page by clicking the "Activities" button on the side navigation or entering the following URL into your browser:

https://apps.hdap.gatech.edu/alcoholrecovery2-frontend/activities.html

NOTE: *To access this page, you must be logged into one of the accounts mentioned in the "Logging In" section.*
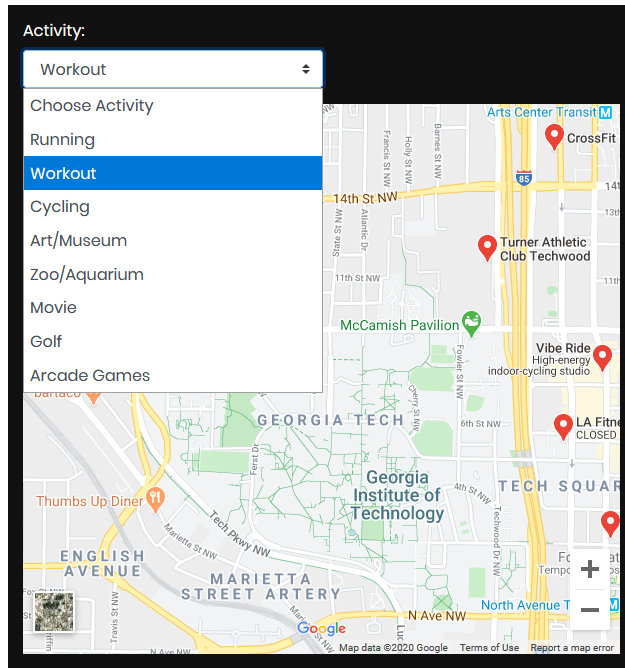

Figure 5 – Activities dropdown

To view nearby activities, you can select an option from the dropdown labeled "Activity". The results of the selections are as follows:

1) <u>Running</u>: nearby parks or nature trails
2) <u>Workout</u>: nearby gymnasiums
3) <u>Cycling</u>: nearby biking trails and bike shops
4) <u>Art/Museum</u>: nearby museums and art galleries
5) <u>Zoo/Aquarium</u>: nearby zoos or aquariums
6) <u>Movie</u>: nearby movie theaters
7) <u>Golf</u>: nearby golf courses, driving ranges, and golf shops
8) <u>Arcade Games</u>: nearby locations with arcade style games

Viewing Milestones

You can get to this page by clicking the "Milestones" button on the side navigation or entering the following URL into your browser:

https://apps.hdap.gatech.edu/alcoholrecovery2-frontend/milestones.html

NOTE: *To access this page, you must be logged into one of the accounts mentioned in the "Logging In" section.*
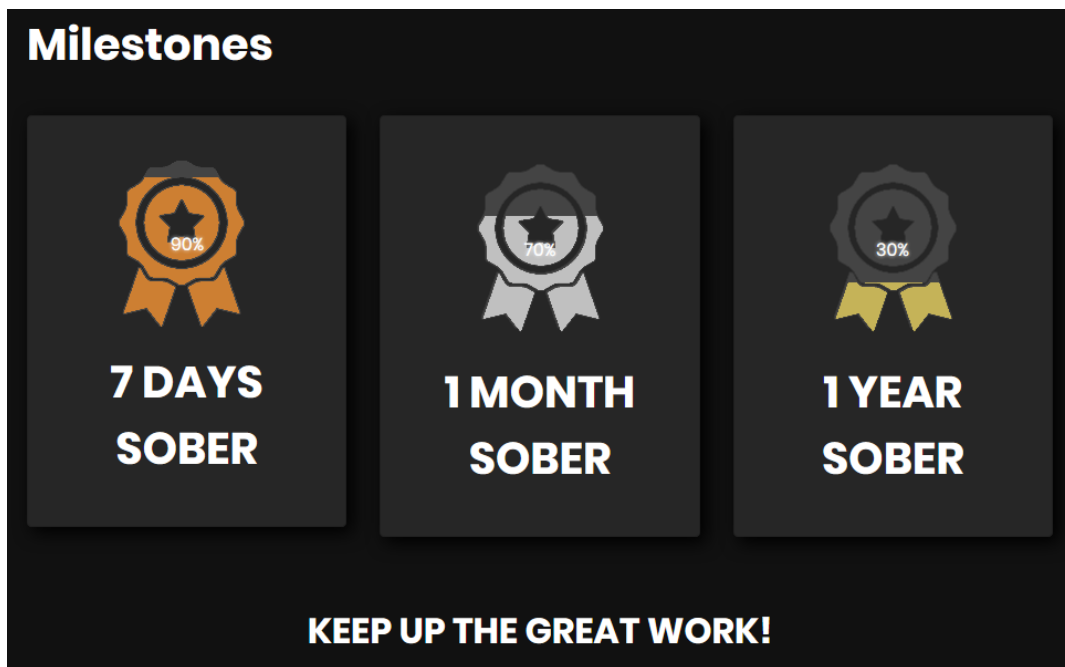

Figure 6 – Milestones medals with percentages

This page shows your current progress towards earning sobriety milestones consisting of 7 Days Sober, 1 Month Sober, and 1 Year Sober as a percentage. The percentages represent the following formulas:

1) 7 Days Sober = # days sober / 7
2) 1 Month Sober = # days sober / 30
3) 1 Year Sober = # days sober / 365

Logging Out

If you are currently logged into an account mentioned in the "Logging In" section above, you can log out of that account by clicking the teal button in the side navigation labeled "Logout" or by navigating to this URL:

https://apps.hdap.gatech.edu/alcoholrecovery2-backend/login/logout
